Thank you for your interest in the Graduate Certificate in Innovation and Implementation Science. Please take some time to respond to the two questions below. Each response should be around 250 words. Draw on your experience and knowledge to answer these questions; there should be no need to do additional research to answer them. Submit completed application to joshtrot@iu.edu by August 4th.

1) In your own words, what do “implementation” and “innovation” mean? If possible, give examples that relate each term to healthcare.

2) What do you hope to accomplish with the skills and expertise you will gain from the program? Be specific.
